INTERNATIONAL WOMAN'S ACHIEVERS AWARDS

The International Woman's Achievers Awards (IWAA), established in 2020 is internationally most prestigious and credible platform dedicated to recognizing and honoring outstanding women achievers across diverse fields. Since its launch, IWAA has been committed to spotlighting women who have made significant contributions to their industries and communities, standing as a symbol of merit-based recognition and integrity. What sets IWAA apart from traditional awards is its non-commercial approach. Our awards are entirely based on the credibility, accomplishments, and impact of each nominee, ensuring fairness and transparency throughout.

IWAA celebrates the commitment, courage and confidence of exceptional woman across dimensions and geographical boundaries. It aims to inspire female achievers in the present and the future. We understand an empowered woman is powerful beyond measures, beautiful beyond description and capable of architecting the world into a better place while inspiring several more.

If you think you are a woman or know a woman who has made an impact which deserves to earn recognition in the society, IWAA is where you need to be. All working/non-working women with great yet unsung stories are invited to nominate and empower themselves at this event.

There are Women's in the society for whom circumstances, lack of resources and setbacks are no hurdles. These individuals are of strong will and dedication. Despite all odds, these champions push their lives so much in their field of interest that they stand apart in society. Having achieved great heights in their respective domains, these individuals need to be encouraged, hence International Women Achievers Awards. Nominations can be submitted by anyone who has a track record of such trailblazing efforts in any field and the likes of Corporate, Sports, Science, Technology, Innovation, Entrepreneurship, Leadership, Social Service, Courageous Acts, Arts & Culture, Entertainment, Tourism, Healthcare, Education, CSR, Media, Community Development, Job Creation etc. – which makes the work exceptional – beyond the common league.

Our Goal

Our goal is to facilitate a global award ceremony for women of all culture, nationality, and ethnicity. This event will serve as a tribute to these women to celebrate their work, their life, and their contributions to society.
